

WAGNER Multi-Cleaner Neutral Cleaner

Highly effective and concentrated all-round cleaning agent ideal to fulfill a huge number of tasks.

Applications

Perfect for daily cleaning and care as well as for removing persistent contamination and grease from all imaginable surfaces in:

- car care (windows, car wash, engine, rim, hardtops and convertible tops ...)
- shipping (sail, floors, deck, bilge, engine, air filter, exhaust fans...)
- agriculture (agricultural equipment, engine...)
- industry and handicraft (machinery, equipment, lacquered or veneered wooden surfaces)
- medical practices
- households (floors, bathroom, windows, mirrors, stone floors or claddings, doors, dishwasher, washing machine, upholstery, ...)
- facility cleaning (floors, concrete, coated surfaces, stone floors even when using floor cleaning machines, all kind of surfaces, windows, mirrors, offices...)

Advantages

- highly dilutable, therefore very economical
- 99.8% biodegradable
- odorless
- not corrosive or acrid
- cleans without leaving any residue or streaks
- much more effective than conventional cleaning agents
- not harmful to food
- does not contain acids, phosphates, solvents or other auxiliary substances
- antibacterial

Technical Data WAGNER

Property	Test method	Test result	Unit
Condition		liquid	
Colour		light yellow	
pH-value @ 20°C (undiluted)		ca. 7	
pH-value @ 25°C (10 g/l)		ca. 7	
Melting point/melting range		ca. -7	°C
Boiling point/boiling range		ca. 90-100	°C
Flash point		> 23	°C
Vapour pressure @ 20 °C		23	hPa
Density @ 20 °C		ca. 1	g/cm ³
Viscosity @ 25 °C	Brookfield	<200	mPas

WAGNER Multi-Cleaner Neutral Cleaner

Application & Dosing

Depending on the degree of soiling, WAGNER Multi-Cleaner can be diluted as follows:

Heavy soiling	1:30 – 1:40
Medium soiling	1:40 – 1:50
Minor soiling	1:50 – 1:100

The mixture can be applied directly using a spray bottle or a rag.

Below you will find some application examples:

Car care

Removes insects and other dirt from the car windows. In the warmer months of the year, add a small splash of Multi-Cleaner to the windscreen washer fluid tank. For thorough cleaning of hardtops and convertible tops. Ideal for removing persistent greasy spots on vehicles, truck panels, engines, rims ...

Household/commerce/industry/office/shipping/agriculture

Mechanical or manual cleaning of very dirty floors, also in food industry.

Dilution: 1:25 up to 1:50.

If you use a floor cleaning machine, add some anti-foaming agent to the mixture.

Shipping

Sail, floor, deck - 1:50 up to 1: 100

Bilge and engine bay - 1:20 bis 1:40

Air filter and exhaust fans - 1:40 bis 1:50

Agriculture

Agricultural machines, ploughs, treshing machines - 1:20 bis 1:40

Cleaning of walls - 1:30 bis 1:50

Packaging

Available Container	Content	Item No.
Plastic bottle	1 l	215001
Plastic canister	5 l	215005
Plastic canister	20 l	215020
Tight head drum (steel sheet)	200 l	215200
